

OPAL ENERGY CORP. ENTERS INTO DEFINITIVE AGREEMENT TO ACQUIRE VERSUS LLC

FOR IMMEDIATE RELEASE

March 18, 2016

Vancouver, B.C., March 18, 2016 – Opal Energy Corp. (CSE: OPA) (the “Company” or “Opal”) is pleased to announce that it has entered into a binding arm’s length acquisition agreement (the “**Definitive Agreement**”) with Versus LLC (“**Versus**”), pursuant to which Opal will acquire voting control of all of the issued and outstanding securities of Versus (the “**Transaction**”), as more particularly described below. The Transaction was initially announced in an Opal news release dated November 25, 2015, indicating Opal and Versus had entered into a letter of intent in respect of the Transaction.

The Transaction is subject to a number of terms and conditions as set forth in the Definitive Agreement, including (among other things) the approval of the Canadian Securities Exchange (the “**Exchange**”). If completed, the Transaction will constitute a “Fundamental Change” of Opal, as such term is defined in the policies of the Exchange.

About Versus

Versus, a Nevada corporation with offices in Los Angeles, is developing state-of-the art technology that allows video game publishers and developers to offer real-money and prize-based matches and tournaments featuring their games. This proprietary technology is already being integrated into select PC and console games that are expected to be in market in the first half of 2017. Key senior management personnel of Versus will remain in place and continue to carry on with the development and operation of the business. Matthew Pierce, Founder and CEO of Versus said “We are thrilled to announce this agreement. We look forward to working with the team at Opal to bring Versus technology to gamers at every level. It’s an exciting time in our industry and we think our platform can have a big impact on gaming going forward.”

The Transaction

In consideration for the Versus membership units, on closing Opal acquire voting control of the Versus securities, and the Versus members will have a right of exchange for an aggregate of US\$2,500,000 of Opal common shares and common share purchase warrants with an aggregate value of USD\$1,250,000, at a deemed price of CDN\$0.20 per share. In addition, on closing Opal will make cash payments totalling US\$1,500,000 to the Versus members.

The Transaction is subject to Opal completing an equity financing (the “**Concurrent Financing**”) for gross proceeds of not less than USD\$2,750,000 consisting of units (each a “**Unit**”) at a price of Cdn\$0.25 per Unit. Each Unit consists of one common share and one-half of one common share purchase warrant (each a “**Warrant**”). Each whole Warrant will entitle the holder to purchase, for a period of 24 months from the date of issue, one additional common share of Opal at an exercise price of Cdn\$0.40 per share. Opal may pay finders’ fees in connection with the Concurrent Financing. The net proceeds from the Concurrent Financing will be used to fund the US\$1,500,000 payment due to the Versus members, with the balance to be used for development of the business and general

working capital. Subject to the approval of the Exchange, Opal may close some or all of the Concurrent Financing prior to closing the Transaction.

Upon completion of the Transaction, Versus will become an indirect wholly-owned subsidiary of Opal and Opal will change its name to "Versus Systems Inc.", or such other name as the parties may reasonably agree upon. The combined entity (the "**Resulting Issuer**") will continue the business of Versus.

The Transaction is conditional upon, among other things:

- (i) the representations and warranties of each of Opal and Versus, as set out in the Definitive Agreement, being true and correct in all material respects at the closing of the Transaction;
- (ii) the absence of any material adverse change in the business of each of the parties;
- (iii) the parties receiving all requisite regulatory approval, including the approval of the Exchange, and any third party approvals and authorizations;
- (iv) Opal and Versus obtaining the requisite shareholder approvals for the Transaction;
- (v) the parties obtaining requisite board approvals for the Transaction; and
- (vi) Opal completing the Concurrent Financing.

The Transaction will be subject to approval by the shareholders of Opal and, as such, Opal is preparing an information circular in connection therewith.

See Opal's news releases dated November 25, 2015, December 3, 2015 and December 15, 2015 for further information about the Transaction, Versus and its business. Opal will issue additional press releases related to the Transaction and related financings and other material information as it becomes available. There can be no assurance that the Transaction will be completed as proposed or at all.
